Sales Team

Q54. What's FASTECH's product warranty?

Answer : FASTECH offers an one-year warranty on our product.

If a problem occurs due to defect, we provide a free repair service or replace the product. And if a problem occurs while using the product, please contact the distributor at your place of purchase so that we can provide a repair service according to the A/S procedure. Thus, in any case, if a problem occurs with your product, please contact our distributor or call our sales department **(Tel. + 82-32-234-6300)**, we will do our best to solve the problem.
